E. SESSION SUMMARY:

----The series of AOL sketches regarding the aborigine bushman is at ENCLOSURE 1. This is a sketch of a middle aged primitive aborigine with some sort of headband, and pipe.

----At Enclosure 2 is a sketch of the target personality perceived as some sort of 15 or 16 century guard with a high hat, large white collar, brightly colored knickers and shiny black shoes (a la Swiss Guard).

----I have very low confidence in the results of this effort.
